

A Global Commitment

2019 ANNUAL REPORT  URANTIA FOUNDATION

President's Letter

Dear Friends of Urantia Foundation,

The Urantia Book makes it clear that whether you're Buddhist or Baptist, male or female, Chinese or Chilean, you are part of our heavenly Father's global family. From Paradise, our loving creator upholds this universe and this world. It's a miracle that the Universal Father cares for each one of us, lives within us, suffers when we suffer, and smiles when we smile. From within his infinite being, he looks at humanity and fills us with mercy and goodness. He is no respecter of persons; his love is limitless. He blesses every soul because we are his children.

Over the next five years, in support of the worldwide family of God, Urantia Foundation is committed to better serve the global readership. This means increasing international book distribution, producing new translations, sponsoring multi-language secondary works, and increasing the number of languages in courses offered by Urantia Book Internet School. We will look globally to increase the expanded board of associate trustees and trustees. Our website and apps will reach more people in more languages. We will also continue contributing to international conferences, educational efforts, and much more.

With your help, these plans will happen. We need you and thank you for your past generosity and prayers.

“The Father loves *each* of his sons, and that affection is not less than true, holy, divine, unlimited, eternal, and unique—a love bestowed upon *this* son and upon *that* son, individually, personally, and exclusively. And such a love utterly eclipses all other facts.”
